

NFT ENABLER FOR PRODUCTS OR SERVICES

**A boost for Brand Loyalty
and Customer Monetization.**

**By owning a specific NFT or set,
holders can access unique products or
interactive experiences.**

How?

**UNLOCK THE SALE
OF LIMITED EDITION PRODUCTS
OR DISCOUNT CODE**

**UNLOCK A COMMUNITY
OR MEMBER SECTION**

**UNLOCK A PHYSICAL
OR DIGITAL EVENT**

Enable 4 Superpowers

1. ENGAGEMENT HYPE

Launch Free NFT Giveaways to increase your Community.

Connect utilities to them in the real world.

2. EARLY ACCESS

Transform simple Followers into paying Customers by selling NFTs enabling Early Access to your products or services.

3. ANTICIPATED CASH FLOW

Sell NFTs that are digital rights to receive your product or service. Obtain the full price before you've even produced it.

Get royalties from an NFT Secondary Market with the rights to your products. Constant revenues, before creating or shipping the product.

4. NEW BIG DATA

Collect new powerful data about your customers, to better understand the habits of your audience.

Your new platform, integrated with your CRM.
