OUR SOLUTION

NFT

Enable 6 Superpowers

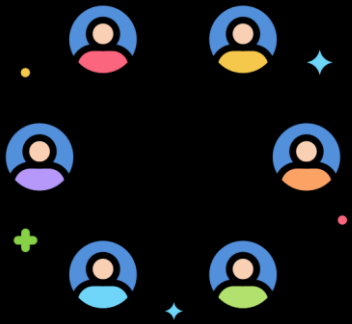

1. FULL DIGITAL ACCESS

Scan NFT tickets and check in your attendees with our easy-to-use Ticket Scanning and Redemption App.

Can be used on any mobile phone. No external scanning hardware required.

2. ADVANCED MARKETING

Create additional value by making NFT Tickets that are redeemable for merchandising, offers or future events.

3. A TRIBE OF FANS

Fans associate NFT Tickets with their social profiles. They actively demonstrate their passion and recognize their Tribe.

A new way to identify, understand and interact with your Fans.

4. GAMIFICATION

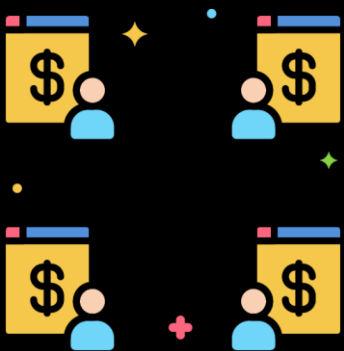

Gamify the Fan Experience by giving access to exclusive and participatory experiences. Engage sponsors and deepen brand loyalty.

5. FANS NOW COLLECTORS

The logic of collecting, the most powerful in the world, at the service of your brand. We will involve the best Artists for you in the creation of your Tickets. Create dynamic graphics throughout the event lifecycle.

6. DIRECT ROYALTIES

A primary and secondary resale Marketplace directly in your hands. The NFT model guarantees automatic royalties for you and a fraud proof system.
